About The Institution

Cradled in the lap of Nature and housed in a marvellous heritage building of the British Victorian style, Centre of Excellence, Government College Sanjauli has been providing an academically challenging and intellectually stimulating environment to its learners since

1969. It beckons all with its motto of “Aaroh Ma Tamaso Jyoti”-May we rise from darkness to light i.e. from ignorance to knowledge. The heritage institution originating from a rich legacy stands tall with its promise of value-oriented education in today’s competitive world.

Nestled amidst lush green Cedars and mighty Oaks the charm of the edifice is sufficient to command rapt attention and attraction by the pedestrians walking on the road past its hallowed gate. A huge playground invitingly greets the arrival of the students in the campus. The main building facing the playground houses the Administrative Block and Computer Laboratories, reminding one of the days of yore, when the jungle of concrete buildings had not defaced the ‘Queen of Hills’. The college was constructed way back in April 1869 by Harriet Christina Tytler as an institution for industrial orphanage under the name of Himalayan Christina Orphanage and named as North Stoneham. Later in 1872, the same institution was reconstituted as the Mayo Industrial School for female orphans and other girls of European extraction. However, later it was rebuilt and opened for use on March 1, 1905 during the Lieutenant-Governorship of Sir Charles Rivoz, K.C.S.I. and the Episcopate of the Reverend George Alfred Lefroy, D.D., the third Bishop of Lahore. The structure was

designed by the Architect A. Gaddock Esq. and was built by the builder, Messer Rivertt and Sons. After independence, this institution was converted into a B.Ed / B.T. College for girls affiliated to Panjab University, till it attained its present position. The college enjoys the distinct position of not only being the first Degree College to have been set up in Shimla in 1969, but also the first College to have been conferred with the status of 'Centre of Excellence' by the government of Himachal Pradesh in 2006. The College has been accredited with "B+" by NAAC in March 2017. The college has also been selected for the "DBT Star College Scheme" by Government of India commencing from the session 2022-2023.

The college provides quality education in three streams-Arts, Sciences & Commerce. Besides, other undergraduate programmes like B.C.A. and B.B.A., and PG programmes such as MA in English, MA in Hindi and P.G.D.C.A. are also being offered. The College also offers vocational degree in Retail Management and Hospitality & Tourism to students to expand their scope of employability. To ensure quality, there are limited seats available in each course and selection is purely on the basis of merit. Admission is on roll-on basis for students seeking admission to second year and third year.

The committed and proficient teaching and non-teaching staff facilitate the learners by motivating them to constantly challenge themselves in academic and extra-curricular activities throughout the year. The objective is not only to secure academic excellence but also to transform the students into good human beings. The youth festivals and other competitive activities and events like quiz, debate, dramatics, dance and music concerts allow the students to experience not only the excitement and festivities of the occasion but it gives them space to imbibe and inculcate healthy social and cross cultural interactions. The various Subject Societies are the training ground for nurturing talent amongst the students and instilling in them the drive to excel in such activities. The college has adequate infrastructure for sports.

To ensure a comfortable stay, the College has hostel facilities for the male students. There is facility for housing 99 students in the New Boys Hostel whereas the Old Boys hostel comfortably accommodates 70 students.

May we rise from darkness to light

To make the College a benchmark of quality education, applying innovative approaches of teaching and learning, empowering students to discover their full potential academically and socially.

To nurture intellectual excellence and social leadership amongst the educators and learners, in order to outshine in the increasingly competitive globalized world.

From the Principal's Desk

Dear Students

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today”- Malcom X

Education is indeed a passport to help you discover your scholastic and non-scholastic potential aiming to broaden your prospects of a brighter tomorrow. Each one of you will be inundated with a range of options, as you enter this new phase of your lives, and one needs to be fittingly geared up to make the right choices which are in one's best interest. Choices are never easy to make, it can be a daunting and a confusing task however, students must make their choices wisely, braving familial and peer pressure. It is a time for you to make reasonable and mature decision(s) by yourself - your first step towards seizing the opportunity, and taking charge of your destiny. The choices you make will shape your career and your future.

Here, at Govt. College Sanjauli we provide every student prospects of self growth, an engaging and safe environment to forge connections and create lifelong memorable experiences. The college provides a profusion of possibilities and opportunities of achieving success through learning and exploring new avenues of knowledge. While academic skills, extracurricular activities and sports are imperative components of Govt. College Sanjauli, mental and emotional well being is another facet of this institution. The college also engages in providing socializing opportunities, broadening skills, developing critical thinking and personality so that the students are well equipped and prepared to play a productive role in the society.

Here at our prestigious institution, the teachers will leave no stone unturned to assist each student in unearthing their potential and hidden talents.

I welcome each one of you with these final words *“no matter how good teaching may be, each student must take the responsibility for his own education”- John Carolus*

List of Undergraduate Programmes to be covered under CBCS as per the U.G.C. Template.

BACHELOR COURSES UNDER CBCS:

1. **B. Sc. Physical Sciences:** (Physics, Mathematics and Chemistry/Geology/Computer Science.)
2. **B. Sc. Life Sciences:** (Botany, Zoology and Chemistry/Geology.)
3. **B.A.**
4. **B.Com**
5. **B. Voc**

Outline of Choice Based Credit System:

1. **Core Course:** 4 Discipline Specific Core Courses (DSC) (2 per subject) and 2 Courses of English and Hindi/Sanskrit in B.A./B.Com). The papers under this category are going to be taught uniformly across all universities with 30% deviation proposed in the draft. The purpose of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/university adheres to common minimum standard. Also the course designed for papers under this category aims to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.
2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
 - 2.1 **Discipline Specific Elective (DSE) Course:** (2 each for regular courses): Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).
 - 2.2 **Generic Elective (GE) Course:** (2 each for B.A. /B.Com. regular courses): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. **Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). “AECC” courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English/Hindi/MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/Hindi Communication/MIL Communication.

3.2 Skill Enhancement Courses (SEC): (4 for regular courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

3.3 Practical/tutorials (One each with every core and discipline/generic specific elective paper): The list of practical provided is suggestive in nature and each university has the freedom to add/subtract/edit practical from the list depending on their faculty and infrastructure available. Addition will however be of similar nature.

ACADEMIC BANK OF CREDITS (ABC)

What Is The Academic Bank Of Credits (ABC)?

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities. There will be “multiple exits” & “multiple entries” points during the higher education tenure & credits will be transferred through the ABC seamlessly.

ABC can be considered as an authentic reference to check the credit record of any student at any given point in time. Thus, the concept of ABC is fuel to boost the efficiency of faculty and help students embrace a multi-disciplinary educational approach. The idea is to make students “skillful professionals” and help their overall growth.

In a crux, the Academic Bank of Credits will be a game-changer in transforming Indian education to a great extent.

1: Functions of Academic Bank of Credit (ABC)

- The Academic Bank will be accountable for opening, closing, and validating the academic accounts of students.
- It will carry out tasks such as credit accumulation, credit verification, credit transfer/redemption of students.
- The courses include online and distance mode courses offered by the government and institutes.
- The validity of these academic credits earned by students will be up to seven years and students can redeem these credits.
- The credits can be redeemed and students can seek admission directly in the second year at any university.
- The validity will be up to seven years, hence, students will have to rejoin within seven years.

2: Credits Information as Per Courses

As per the courses, a credit structure will be created by the Government.

When a student pursues any course and clears exams, credits will be automatically awarded to them. Institutions need to fill out the details and upload the deposits in the students’ Academic Credit Bank’s account on the digital portal.

3: Evaluation & Verification of Credits

Any kind of credit evaluation & verification will be carried out by the Academic Credit Bank at regular intervals.

If students want to transfer the credits, they need to approach the ABC for further process.

It will help in regulating the processes with ultimate authenticity.

4: Types of Courses

Online & offline – both types of courses are included in the scheme. Some of the important ones include National Schemes such as–

- **NPTEL**
- **SWAYAM**
- **V-LAB**

Thus, the ABC will cover almost all types of courses including distance learning courses to help students of every possible stream.

5: Credits' Validity

The credits earned by students will be valid for seven years.

However, the validity of credits is subject to change depending on the type of courses or disciplines.

In such instances, ABC will provide the details of the exceptions to students.

Even if a student takes a break or is not able to continue their education, they may redeem the earned credits in the future within the time limit of seven years.
