About The Institution

Cradled in the lap of Nature and housed in a marvellous heritage building of the British Victorian style, Centre of Excellence, Government College Sanjauli has been providing an academically challenging and intellectually stimulating environment to its learners since 1969. It beckons all with

its motto of “**आरोह तमसो ज्योतिः**”- Let’s take a step from darkness to light; from ignorance to knowledge. The heritage institution originating from a rich legacy stands tall with its promise of value-oriented education in today’s competitive world.

Nestled amidst lush green Cedars and mighty Oaks the charm of the edifice is sufficient to command rapt attention and attraction by the pedestrians walking on the road past its hallowed gate. A huge playground invitingly greets the arrival of the students in the campus. The main building facing the playground houses the Administrative Block and Computer Laboratories, reminding one of the days of yore, when the jungle of concrete buildings had not defaced the ‘Queen of Hills’. The college was constructed way back in April 1869 by Harriet Christina Tytler as an institution for industrial orphanage under the name of *Himalayan Christina Orphanage* and named as North Stoneham. Later in 1872, the same institution was reconstituted as the *Mayo Industrial School* for female orphans and other girls of European extraction. However, later it was rebuilt and opened for use on March 1, 1905 during the Lieutenant-Governorship of Sir Charles Rivoz, K.C.S.I. and the Episcopate of the Reverend George Alfred Lefroy, D.D., the third Bishop of Lahore. The structure was designed by A. Gaddock Esq. and was constructed by Messer Rivertt and Sons. After independence, this institution

was converted into a B. Ed / B.T. College for girls affiliated to Punjab University till it attained its present status of a government college. The college enjoys the distinct position of not only being the first Degree College to have been set up in Shimla in 1969, but also the first College to have been conferred with the status of 'Centre of Excellence' by the government of Himachal Pradesh in 2006. In its endless pursuit of achieving excellence in all walks of life this college successfully implemented the Star College Scheme of the Department of Bio-Technology (DBT), Ministry of Science and Technology, Govt. of India in session 2022-23. The college received financial aid to improve science infrastructure to promote teaching, research and innovation. The College was accredited with "A+" grade by the NAAC in November 2023 for all its efforts. The college added another feather to its already decorated cap by signing Memorandum of Understanding (MoU) with two prestigious institutions of the state- Jaypee University of Information and Technology (JPUIT), Wagnaghat, HP and Shoolini University, Solan, HP to promote research and innovation.

The college provides quality education in three streams— Arts, Sciences & Commerce. Besides, other undergraduate programmes like B.C.A. and B.B.A., PG programmes such as MA in English, Hindi, Public Administration, & Economics and P.G.D.C.A. are also being offered. The College also offers vocational degree in Retail Management and Hospitality & Tourism (B.Voc.) to students to expand their scope of employability. To ensure academic quality, there are limited seats available in each course and selection is purely on the basis of merit. Admission is on roll-on basis for students seeking admission to second and third year.

The committed and proficient teaching and non-teaching staff facilitate the learners by motivating them to constantly challenge themselves in academic and extra-curricular activities throughout the year. The objective is not only to secure academic excellence but also to transform the students into good human beings. The youth festivals and other competitive activities and events like quiz, debate, dramatics, dance and music concerts allow the students to experience not only the excitement and festivities of the occasion but also provide them space to imbibe and inculcate healthy social and cross-cultural interactions. The college has more than adequate infrastructure for sports providing ample opportunities for mental, physical and social development along with career prospects. The various Subject Societies are the training ground for nurturing talent amongst the students and to enhance the academic and social experiences.

To accommodate students from far flung areas of the state, the College has hostel facilities for the male students. It has the capacity to house 144 students.

May we rise from darkness to light

To make the College a benchmark of quality education, applying innovative approaches of teaching and learning, empowering students to discover their full potential academically and socially.

To nurture intellectual excellence and social leadership amongst the educators and learners, in order to outshine in the increasingly competitive globalized world.

ACADEMIC BANK OF CREDITS (ABC)

What is the Academic Bank of Credits (ABC)?

Academic Bank of Credits (ABC) is a virtual/ digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities. There will be “multiple exits” & “multiple entries” points during the higher education tenure & credits will be transferred through the ABC seamlessly.

ABC can be considered as an authentic reference to check the credit record of any student at any given point in time. Thus, the concept of ABC is fuel to boost the efficiency of faculty and help students embrace a multi-disciplinary educational approach. The idea is to make students “skillful professionals” and help their overall growth.

In a crux, the Academic Bank of Credits will be a game-changer in transforming Indian education to a great extent.

1: Functions of Academic Bank of Credit (ABC)

- The Academic Bank will be accountable for opening, closing, and validating the academic accounts of students.
- It will carry out tasks such as credit accumulation, credit verification, credit transfer/redemption of students.
- The courses include online and distance mode courses offered by the government and institutes.
- The validity of these academic credits earned by students will be up to seven years and students can redeem these credits.
- The credits can be redeemed and students can seek admission directly in the second year at any university.
- The validity will be up to seven years; hence, students will have to rejoin within seven years.

2: Credits Information as Per Courses

As per the courses, a credit structure will be created by the Government.

When a student pursues any course and clears exams, credits will be automatically awarded to them. Institutions need to fill out the details and upload the deposits in the students' Academic Credit Bank's account on the digital portal.

3: Evaluation & Verification of Credits

Any kind of credit evaluation & verification will be carried out by the Academic Credit Bank at regular intervals.

If students want to transfer the credits, they need to approach the ABC for further process.

It will help in regulating the processes with ultimate authenticity.

4: Types of Courses

Online & offline – both types of courses are included in the scheme. Some of the important ones include National Schemes such as–

- **NPTEL**
- **SWAYAM**
- **V-LAB**

Thus, the ABC will cover almost all types of courses including distance learning courses to help students of every possible stream.

5: Credits' Validity

The credits earned by students will be valid for seven years.

However, the validity of credits is subject to change depending on the type of courses or disciplines.

In such instances, ABC will provide the details of the exceptions to students.

Even if a student takes a break or is not able to continue their education, they may redeem the earned credits in the future within the time limit of seven years.
